Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Claims 1-19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 1, lines 2 and 3, the applicant recites "vehicles" and "a vehicle" respectively. Are these one in the same? In claim 13, lines 1 and 3, the applicant recites "vehicles" and "a vehicle" respectively. Are these one in the same? In claim 1, line 3, and claim 13, line 3, the phraseology "a step panel positioned at an under part of a vehicle" and a "step panel positioned at an under part of a side opening of a vehicle" is not readily understood by the Examiner. Does the applicant mean that a vehicle has an opening and at a lower portion of the vehicle opening, a step panel is defined and this step panel is underneath the vehicle?

Depending on the applicant's amendments, it appears that claims 1-19 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Applicant's arguments with respect to claims 1-19 have been considered but are moot in view of the new ground(s) of rejection.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
